Facilitators

The Volunteer Center will provide facilitators based on final projects selected and facilitation costs can range from \$200-250. Facilitators will set up, breakdown, manage your volunteers and guide them through the project. We handle it all, so you can enjoy your service project with your team.

In addition, The Volunteer Center will:

- ~ Post to social media of the project, with company tagged
- ~ Send a media alert to all local media contacts for the potential of coverage during the event
- ~ Send a press release with pictures to all local media contacts after the event for the potential of coverage
- ~ Coordinate pick up of product by each nonprofit at the event or arrange delivery
